REQUEST TO RESET RESPONSE DATE

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

RECEIVED
FEB 21 2002
TC 1760

The Examiner issued an Office Action on December 26, 2001, which is almost two months ago. *The irradiated, yellowed, and now brittle Office Action only just arrived in the mail today, February 19, 2002!* It may prove impractical to communicate with an overseas applicant and file an amendment in the truncated response period of about one month instead of the three months set in the Office Action. The delay apparently resulted from a post-September 11, 2001 "homeland security" procedure, soon to be funded in part by the requested 19% increase in patent user fees no less! Nonetheless, Applicants respectfully request the Examiner to reset the response date and to confirm this by facsimile to the undersigned counsel of record.

Respectfully submitted,

FITCH, EVEN, TABIN &
FLANNERY
